The hosting city, Torino

Roman castrum, medieval town, first capital of Italy. Torino offers a lasting memory of castles, old beautiful palaces, royal residences, monuments.

Torino is one of the leading cultural cities in Italy. The city's lively cultural scene includes music, theatre, visual arts, photography, film, design, dance and heritage as well as a wide choice of museums, such as the world famous Egyptian Museum, the beautiful Galleria Sabauda with Italian and Flemish painting collections, the Automobile Museum,

the Modern Art Gallery, the Rivoli Museum of Contemporary Art, the National Cinema Museum with its unique interactive approach. Torino is also one of the undisputed world capital of taste. It has always boasted a renowned food and wine tradition.

Luxury and characteristic shops are also plentiful. Torino has a little bit (or, as is often the case, a lot) of everything and for all budgets as well. More info on Turin?

Visit www.turismotorino.org

Venue

The conference, hosted by the [Politecnico di Torino](#), will take place at the Energy Center facilities located close to the Politecnico main campus.
