L'elenco delle riviste è stato costruito considerando tutte le riviste che presentano negli ultimi 10 anni (2002 - giugno 2012) almeno 4 lavori di cui almeno 1 coautore sia un docente afferente ai settori ING-IND/10 o ING-IND/11; tale informazione è stata ottenuta interrogando SCOPUS nel periodo 30 Aprile - 10 Giugno 2012.

Per la valutazione del quartile ci si è riferiti alla classificazione fornita sul portale ANVUR per la VQR 2004-2010 e relativa all'anno 2010; dove questo non è stato possibile si è proceduto ordinando dal sito Scimago Journal Rankings sulla base del parametro "Cites per doc (2 years)" (tale parametro dal sito Scimago è dichiarato coincidente, come modalità di calcolo, all'IF).
