

Elenco Schede Prodotto

Acquaviva A., Blaso L., Dalmasso D., Lo Verso V.R.M., Osello A., Patti E., Pellegrino A., Piumatti P. (2012). **Increasing energy efficiency in existing public buildings through the implementation of a Building Management System based on interoperable networks**. Zhiqiang (John) Zhai, Xiangli Li, Haidong Wang, Boulder, Colorado: 929- 936, In:Conference on Building Energy and Environment COBEE2012. 1-4 agosto 2012, Boulder, Colorado, USA,

Aghemo C., Lo Verso V.R.M., Pellegrino A., Pellerey F. (2012). **Prediction of energy demand for lighting in buildings with different architectural features** . Zhiqiang (John) Zhai, Xiangli Li, Haidong Wang, Boulder, Colorado: 152- 159, In:Conference on Building Energy and Environment COBEE2012. 1-4 agosto 2012, Boulder, Colorado, USA,

Aghemo C., Lo Verso V.R.M., Caffaro F. (2012). **Environmental quality for comfort and performance in healthcare buildings: a lighting experimental study and simulations**. Zhiqiang (John) Zhai, Xiangli Li, Haidong Wang, Boulder, Colorado: 497- 504, In:Conference on Building Energy and Environment COBEE 2012. 1-4 agosto 2012, Boulder, Colorado, USA,

Acquaviva A., Blaso L., Dalmasso D., Del Giudice M., Fracastoro G., Lo Verso V., Macii E., Osello A., Pace A., Patti E., Pellegrino A., Piumatti P. (2012). **From historical buildings to smart buildings via middleware and interoperability**. Valery Telichenko / Andrey Volkov / Irina Bilchuk, Moscow: In:ICCCBE2012. June 27-29, 2012, Moscow,

Acquaviva A., Blaso L., Dalmasso D., Del Giudice M., Fracastoro G., Lo Verso V.R.M., Macii E., Osello A., Patti E., Pellegrino A., Piumatti P. (2012). **Energy consumption management using CAFM and BIM**. La Scuola di Pitagora editrice, Napoli: 213- 222, In:Le vie dei Mercanti_X Forum Internazionale di Studi. May 31, June 1-2, Aversa-Capri,

Giorgia Nardini, Massimo Paroncini, Valerio R.M. Lo Verso (2012). **An experimental and numerical analysis of daylighting performance for an office building**. In:Improving Energy Efficiency in Commercial Buildings (IEECB 2012). 18-19 aprile 2012, Francoforte, Germania,

Aghemo C., Pellegrino A., Lo Verso V.R.M. (2004). **Daylighting design by means of a scanning sky simulator: applications to different typologies of daylighting systems**. 2-312- 2-322, vol.2, In:EuroSun 2004. 20-23 giugno 2004, Friburgo,

Aghemo C., Pellegrino A., Lo Verso V.R.M. (2001). **La progettazione della luce naturale in cielo artificiale: possibilità e prospettive di utilizzo**. Associazione Italiana di Illuminazione AIDI, Milano: 1- 5, vol.1, In:Luce come innovazione - Light as innovation. 4-6 dicembre 2001, Perugia,

Pellegrino A., Lo Verso V.R.M. (1999). **La progettazione dell'illuminazione naturale mediante cieli artificiali: rassegna delle strutture esistenti**. Associazione Italiana di Illuminazione AIDI, Milano: 72- 85, vol.1, In:Cultura e tecnologia della luce. 25-26 novembre 1999, Genova,

Aghemo C., Pellegrino A., Lo Verso V.R.M. (1998). **La valutazione dell'abbigliamento molesto negli ambienti confinati: analisi critica delle procedure esistenti.** Associazione Italiana di Illuminazione AIDI, Milano: 2- 15, vol.3, In: Illuminare la città. 15-16 ottobre 1998, Cagliari,

La Malva F., Astolfi A., Bottalico P., Lo Verso V.R.M. (2011). **Livingsscape approach to characterize urban historical places.** 2531- 2531, In: 162nd Meeting of the Acoustical Society of America. 31 October - 4 November, San Diego, California,

La Malva F., Astolfi A., Bottalico P., Lo Verso V.R.M., Bronuzzi F. (2011). **Livingsscape multi-sensory experience in urban historical places: subjective assessment from the local people and quality of the urban environment.** 1- 4, In: 5th International Symposium on Temporal Design. 21-22 July, Sheffield, United Kingdom,

La Malva F., Astolfi A., Bottalico P., Lo Verso V.R.M., Bronuzzi F. (2011). **Livingsscape approach to improve urban historical places.** 1- 4, In: 5th International Symposium on Temporal Design. 21-22 July, Sheffield, United Kingdom,

La Malva F., Astolfi A., Bottalico P., Lo Verso V.R.M. (2011). **City's quality of life based on livingsscape approach (urban blight, soundscape, light-scape, thermic-scape, subjective replies of users) to improve an urban historical place.** Danish Acoustical Society, 2031- 2036, In: Forum Acusticum 2011. 26 June – 1 July, Aalborg, Denmark,

La Malva F., Astolfi A., Bottalico P., Lo Verso V.R.M., Lingua A. (2011). **Sistemi informativi spaziali per implementare la tutela, valorizzazione, progettazione e divulgazione del soundscape in ambiente storico-urbano: Torino negli ultimi 150 anni.** 1- 8, In: AIA 2011 38° Convegno Nazionale dell'Associazione Italiana di Acustica. 08-10 giugno, Rimini,

La Malva F., Astolfi A., Lo Verso V.R.M. , Bottalico P. , Bronuzzi F. (2011). **Il livingsscape come strumento per riqualificare gli spazi urbani delle città storiche.** 1- 8, In: AIA 2011 38° Convegno Nazionale dell'Associazione Italiana di Acustica. 08-10 giugno, Rimini,

La Malva F., Astolfi A., Bottalico P., Lo Verso V.R.M., Bronuzzi F. (2011). **Multi-sensory experience in urban historical places.** 938- 944, vol.33, pt.3, In: 10th International Congress on Noise as a Public Health Problem (ICBEN 2011). 24-28 July, London,

Aghemo C., Lo Verso V.R.M., Pellegrino A., Fossella A. (2011). **Luminance image analysis for display visibility in cockpits.** CEAS (Council of European Aerospace Societies), 1686-1695, In: 3rd CEAS (Council of European Aerospace Societies) Air&Space Conference and 21st AIDAA (Italian Association of Aeronautics and Astronautics) Congress. 24/28 October 2011, Venice, Italy,

Pellegrino A., Aghemo C., Lo Verso V.R.M., Cammarano S. (2011). **Climate-based metrics for daylighting and impact of building architectural features on daylight availability.** 82- 92, vol.1, In: In: The 27th Session of the CIE, Commission Internationale de l'Eclairage, CIE Central Bureau (AUT). 10-15 July 2011, Sun City, South Africa,

Pellegrino A., Lo Verso V.R.M., Cammarano S. (2011). **Limits and potentials of different daylighting design approaches based on dynamic simulations.** 337- 342, In: CISBAT 2011: CleanTech for Sustainable Buildings - From Nano to Urban Scale. September 14-16, 2011, EPFL, Lausanne, Switzerland,

Aghemo C., Lo Verso V. R. M., Petrigni C., Caffaro F., Arrigo V., Tucci G. (2010). **Qualità**

ambientale in ambito ospedaliero. Edizioni Nuova Cultura, Roma: 516- 522, vol.1, In: Ergonomia: valore sociale e sostenibilità - Atti del IX Convegno Nazionale SIE (Società Nazionale di Ergonomia). 27-29 ottobre, Roma,

Pellegrino A., Lo Verso V.R.M. (2010). **The energy demand for electric lighting as a consequence of different architectural building features and lighting plant characteristics.** Commission Internationale de l'Eclairage, CIE Central Bureau, Vienna: 695-703, In:Lighting quality and energy efficiency. 14-17 March 2010, Vienna (A),

Aghemo C., Baccino T., Chiaraviglio L, Lo Verso V., Rossi L. (2009). **How disentangle between luminance and cognitive load on pupul dilation measurement.** 148- 149, vol. 1, In:MINET Conference: Measurement, sensation and cognition. Measuring the impossible. 10-12 November 2009, London (UK),

LO VERSO V.R.; REINHART C.F (2010). **Validation of the Lynes mean daylight factor formula and the daylight feasibility study in toplit spaces.** In:International Conference CIE "Lighting quality and Energy efficiency". 14-17 marzo 2010, Vienna,

AGHEMO C.; LO VERSO V.R.M.; PELLEGRINO A.; PETRIGNI C.; ROSSI L. (2009). **Evaluation of display legibility through luminance mapping: An application to aircraft cockpits.** Turkish National Committee on Illumination (ATMK), ISTANBUL: 197- 206, vol.1, In:11th European Lighting Conference LUX EUROPA 2009. 9-11 September 2009, Istanbul,

PELLEGRINO A; SERRA V.; LO VERSO V. R.M (2008). **Characterization of light pipes performances through a sun/sky simulator and a software based approach.** Lighting Engineering Society of Slovenia, LJUBLJANA: 323- 332, In:the 4th Conference BalkanLight 2008 and the 17th International Symposium Lighting Engineering 2008. 7-10 ottobre 2008, Ljubljana,

LO VERSO V.R.; FILIPPI M; AGHEMO C; PELLEGRINO A (2002). **Daylighting design by use of an artificial sky.** In:XII Conferenza Internazionale Light 2001. 10-12 ottobre 2001, Strabske Pleso (Repubblica Slovacca),

LO VERSO V.R.; FILIPPI M; AGHEMO C; PELLEGRINO A (2001). **Realisation and testing of a portioned dome artificial sky.** In:VII Conferenza Internazionale Clima 2000. 15-18 settembre 2001, Napoli (Italia),

LO VERSO V.R.; REINHART C.F; BOURGEOIS D; DUBROUS F; LAOUADI A; LOPEZ P; STELESCU O (2007). **Daylight 1-2-3: a text guide and software as integrated tools for initial daylight/energy design.** In:CISBAT 2007 International Conference. 4-5 settembre 2007, Lausanne (Switzerland),

LO VERSO V.R.; REINHART C.F (2007). **A 3-step sequence for early daylight design.** In: CISBAT 2007 International Conference. 4-5 settembre 2007, Lausanne (Switzerland),

AGHEMO C.; LO VERSO V; PELLEGRINO A (2007). **A skylight simulator for assessing cockpit display and ambient visibility for day time and night time conditions.** CIE, VIENNA: D1-166- D1-169, vol.I, In:The 26th Session of the CIE. 4 -11 luglio 2007, Beijing , China,

AGHEMO C; SERRA V.; LO VERSO V (2006). **Experimental assessment of environmental performance of different typologies of light pipes.** 809- 817, In:International Building Physics Conference. 27-31 August 2006, Montreal (Canada),

PELLEGRINO A.; V. LO VERSO (2004). **Daylighting simulations in sky scanning simulators: application to buildings with repetitive bays.** In:IESNA Annual Conference. July 25-28,

AGHEMO C.; PELLEGRINO; LO VERSO (2004). **Daylighting design by means of a scanning Sky simulator: applications to different typologies of daylighting systems.** 312- 322, vol.2, In:Conferenza internazionale EuroSun 2004, Friburgo. 20-23 GIUGNO,

AGHEMO C.; PELLEGRINO A.; LO VERSO V. (2002). **Scale models under artificial sky as tool for daylighting design: possible applications.** 24- 34, In:CIE International Conference - Light and Lighting 2002. 28-30 November,
